

Port Lincoln Ocean Getaway

Experiencing the 'puppies of the ocean' – playful Sea Lions in their natural habitat – is just one of the highlights of this unique 3 day, 2 night holiday package. Leave the car at home as you set out on a bus tour with a difference, which combines ferry cruising, four star bed and breakfast accommodation and even a tour of a working Tuna Farm in one of South Australia's favourite holiday destinations – Port Lincoln – on the Eyre Peninsula.

The '**Port Lincoln Ocean Getaway**' offers the solo traveller, families or large groups the chance to discover the magic of Boston Bay, which at three times the size of Sydney Harbour, is one of the world's largest protected natural harbours.

SEA LION & TUNA FARM ADVENTURE

This unforgettable eco-friendly tour allows you to get up close and personal with the sea's most playful mammals in the safe, sheltered waters of Seal Cove.

A comfortable charter boat conveys you from the Boston Bay Marina, often passing dolphins, fairy penguins and sea birds along the way, to remote Hopkins Island, where the resident population will greet you with open flippers!

You can swim, snorkel and photograph up to 40 pup-like Sea Lions frolicking in their natural

environment, before enjoying morning tea enroute to a unique Blue Fin Tuna farm tour. Your tour guide, a fourth generation fisherman, will give you a first-hand insight into the fascinating world of aquaculture. A purpose built viewing platform allows you to hand feed the tuna and weather permitting, you can swim with the tuna too!

(The Sea Lion & Tuna farm adventure is optional and subject to weather conditions and a minimum of 5 people.)
